The Canadian Nurses Association (C.N.A.) offers registered nurses in Canada a yearly opportunity to become certified in their specialty area. Visit their website at www.cna-aiic.ca

Objectives
Registered Nurses participating in this workshop will have the opportunity to:

1. apply knowledge that is relevant to the core content areas of the C.N.A. Gerontological Certification Exam.
2. identify learning needs that relate to the content area tested on the C.N.A. exam.
3. review resources available to study for the exam.

Who Should Attend
- RNs who have registered to write the C.N.A. certification exam in gerontological nursing.
- Nurses who already have their GNC(C) and are seeking re-certification activities.
- Nurses who want to review core concepts in the care of older persons.

Registration Information
Fee: $200 (includes registration fee for the 2 day workshop, refreshments, lunch and workbook)
$150 to attend via videoconferencing at various locations in Ontario (you will be notified with further details). Please see the registration form for a list of locations.

Program
Registration and refreshments begins at 0730. The workshop starts at 0800 on both days and ends at 1600.

- Lunch (provided)
- Dementia, delirium, depression
- Practice exam
- Break
- Discussion regarding exam questions
- Wrap up and evaluation

Location
The Ursaki Auditorium is located at Trillium Health Centre—West Toronto in the Norman Appleton Building at 150 Sherway Drive, off the West Mall, south of The Queensway, and across the street from Sherway Gardens. Both the Toronto Transit Commission (TTC) - routes 15B, 80B and 123A/B and Mississauga Transit - route 4, make regular stops at Sherway Gardens.

Driving Directions
If traveling from the west on the QEW, take the Evans Avenue exit, continue straight onto the West Mall, stay in the left lane and turn left at the second set of lights.

If coming from the east, take the Sherway Gardens Drive exit (by the 427), turn left onto Sherway Gardens Drive and follow the road around the mall until you see Trillium Health Centre—West Toronto across the street at the second set of stop signs.

There is a $12.00 fee for parking each day. All parking revenues generated help fund hospital programs and the purchase of new equipment.

See map on opposite page.
